

CONGRATULATIONS TO ASSOC. PROF. DR. ABD RAHMAN AHMAD FOR BEING THE WINNER OF MALAYSIA'S RESEARCH STAR AWARD 2019 - RESEARCH AND INNOVATION EXCELLENCE

This award is to honour the most influential researchers in Malaysia whose researches are cited and recognised worldwide. It was hoped that the success of these researchers can be the catalyst to inspire scholars to produce high quality research. It recognized their excellence in applied research that has commercial potential based on their patents filed. Top peer reviewers are recognized for their expertise in reviewing research manuscripts in various research areas. This represents their scholarly impact and expertise that goes beyond academic publications.
